RCI Technologies was represented at the 2011 Commercial Marine Expo in Virginia this past June. RCI rep Bob Fox, left, is shown here with longtime RCI purifier customer Andy Vasquez.

Seeking Dealers

FP Installations Around the Globe

RCI distributor Filip de Ruwe with PT Fitch Indonesia in Bali, Indonesia sent us this photo of an FP 4000 installed at PT Thiess Indonesia at the new Senakin coal mine facility in south Kalimantan (Borneo). Customer Firdaus stands beside the FP 4000, which is being used at the fueling station there.

RCI distributor Darius Ng of GLW Oil Purifier Pte. Ltd. in Singapore sent this photo of an FP 800 with water sensor installed onboard a tug boat.

RCI distributor Andre Hulstein with BO & AC Nederland b.v. in the Netherlands sent this photo of three FP 4000's with water sensors installed at the Bunkerstation Heijmen b.v., the newest and biggest fuel supplier for the inland water.

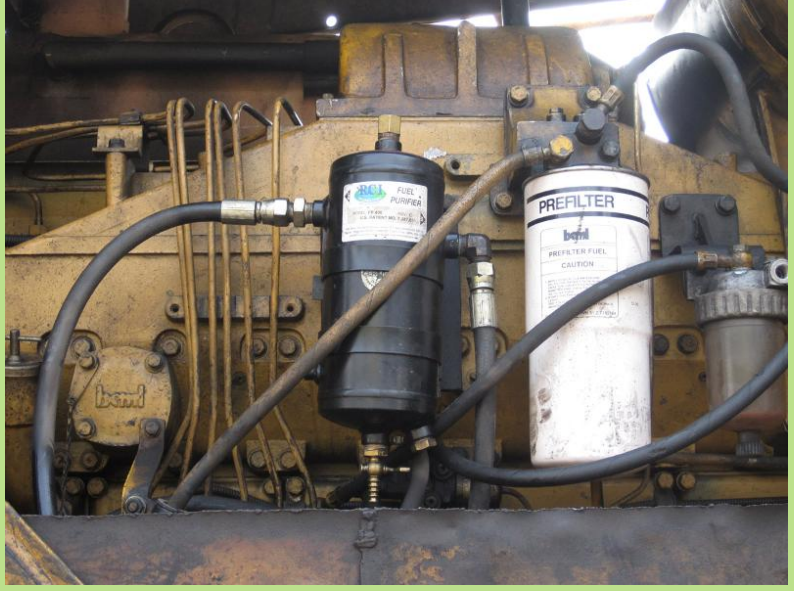

RCI distributor Anju Thakur with Growmore Advisors Pvt. Ltd. in New Delhi, India sent us several photos of various models of RCI purifiers installed by customer Mahanadi Coalfields Limited at fuel stations, on diesel generators and on assorted off-highway equipment. Here are just a few of the photos.
